Let Me Down Slowly

Par Cammy, Bahti

Album : Let Me Down Slowly

This night is cold in the kingdom

I can feel you fade away

From the kitchen to the bathroom sink and

Your steps keep me awake

Don't cut me down, throw me out, leave me here to waste

I once was a man with dignity and grace

Now I'm slippin' through the cracks of your cold embrace

So, please, please

Could you find a way to let me down slowly?

A little sympathy, I hope you can show me

If you wanna go then I'll be so lonely

If you're leavin', baby, let me down slowly

Let me down, down, let me down, down, let me down

Let me down, down, let me down, down, let me down

If you wanna go then I'll be so lonely

If you're leavin', baby, let me down slowly

And I can't stop myself from fallin'

Down

And I can't stop myself from fallin'

Down

Could you find a way to let me down slowly?

A little sympathy, I hope you can show me

If you wanna go then I'll be so lonely

If you're leavin', baby, let me down slowly

Could you find a way to let me down slowly?

A little sympathy, I hope you can show me

If you wanna go then I'll be so lonely

If you're leavin', baby, let me down slowly

If you wanna go then I'll be so lonely
