**Soldier Soldier don't look down**

**I'm here for you in every town**

**Soldier Soldier don't look down**

**I'm here for you in every town**

Mama told Mary not to go downtown

Too many lovely boys hanging around

Mary didn't listen she went anyway

There she met a boy who took her away

Uh Soldier Soldier don't look down

**I'm here for you in every town**

**Soldier Soldier don't look down**

**Soldier Soldier don't look down**

**There's no sixpack on the ground**

**There's no sixpack on the ground**

**Soldier Soldier don't look up**

**Soldier Soldier don't look up**

**There's no whore gone to pick you up**

**There's no whore gone to pick you up**

Mama is worried and she gets real loud

Soldiers are a dirty crowd

Don't be mad i love him so

It's my life and i have to go

**Soldier Soldier don't look down**

**I'm here for you in every town**

**Soldier Soldier don't look up**

**Soldier Soldier don't look up**

**There's no whore gone to pick you up**

**There's no whore gone to pick you up**

Three months later all was well

In my dreams i hear the wedding bells

ding dong ding

Six months later all was done

We had a little son

we are having fun

Mama don't think twice

Soldiers can be nice
