# Misty

Par Carol Sloane

*Album : As Time Goes By*

Look at me, I'm as helpless as a kitten up a tree  
And I feel like I'm hanging from a cloud, I can't understand  
I get misty, just holding your hand, walk my way  
And a thousand violins begin to play  
Or it might be the sound of your hello  
This magic I hear, I get misty the moment you're near  
You could say that you're leading me on, but it's just what I want you to do  
Can't you see just how hopelessly I'm drawn, that's why I'm following you  
On my own, would I wander through this wonderland alone  
Never knowing my right foot from my left, my hat from my glove  
I get misty, and too much in love on my own  
Would I wander through this wonderland alone  
Never knowing my right foot from my left  
My hat and my glove, I get misty and too much in love  
Look at me
