I Feel the Earth Move

Par Carole King

Album : Tapestry

I feel the earth move under my feet

I feel the sky tumbling down

I feel my heart start to trembling

Whenever you're around

Ooh, baby, when I see your face

Mellow as the month of May

Oh, darling, I can't stand it

When you look at me that way

Hey, I feel the earth move under my feet

I feel the sky tumbling down

I feel my heart start to trembling

Whenever you're around

Ooh, darling, when you're near me

And you tenderly call my name

I know that my emotions

Are something I just can't tame

I just got to have you, baby

Uh, uh, uh

Uh, uh, uh, yeah

I feel the earth move under my feet

I feel the sky tumbling down, a-tumbling down

I feel the earth move under my feet

I feel the sky tumbling down, a-tumbling down

I just a-lose control

Down to my very soul

I get-a hot and cold

All over, all over, all over, all over

I feel the earth move under my feet

I feel the sky tumbling down, a-tumbling down

I feel the earth move under my feet

I feel the sky tumbling down, a-tumbling down

A-tumbling down, a-tumbling down

A-tumbling down, tumbling down
