My Best Friend's Girl

Par Cars

Album : Veronica's 70's Top 1000 [Editie 2025]

You're always dancing down the street

With your suede blue eyes

And every new boy that you meet

He doesn't know the real surprise

(Here she comes again)

When she's dancing 'neath the starry sky

Ooh, she'll make you flip

(Here she comes again)

When she's dancing 'neath the starry sky

I kinda like the way she dips

Well she's my best friend's girl

She's my best friend's girl

But she used to be mine

You've got your nuclear boots

And your drip dry glove

Ooh, when you bite your lip

It's some reaction to love

(Here she comes again)

When she's dancing 'neath the starry sky

Ooh, I'll make you flip

(Here she comes again)

When she's dancing 'neath the starry sky

(Here she comes again)

I kinda like the way, I like the way she dips

'Cause she's my best friend's girl

Well she's my best friend's girl

But she used to be mine

She's so fine

You always go dancing down the street

With your suede blue eyes

And every new boy that you meet

He doesn't know the real surprise

(Here she comes again)

When she's dancing 'neath the starry sky

Ooh, she'll make you flip

(Here she comes again)

When she's dancing 'neath the starry sky

I kinda like the way, I like the way she dips

'Cause she's my best friend's girl

She's my best friend's girl

She used to be mine

She's so fine

(My best friend's girlfriend)

Woo!

(My best friend's girlfriend)

She used to be mine

(My best friend's girlfriend)

Yeah yeah

(My best friend's girlfriend)

Said she used to be mine

(My best friend's girlfriend)

Oh, yeah yeah yeah

(My best friend's girlfriend)

She used to be mine

(My best friend's girlfriend)

(My best friend's girlfriend)
