Evacuate The Dancefloor

Par Cascada

Album : So Fresh: The Hits Of Spring 2009

Turn up the music, let's get out on the floor

I like to move it, come and give me some more

Watch me gettin' physical, out of control

There's people watchin' me, I never miss a beat

Steal the night, kill the lights, feel it under your skin

Time is right, keep it tight 'cause it's pulling you in

Wrap it up, we can't stop 'cause it feels like an overdose

(Feels like an overdose)

Oh, oh, evacuate the dance floor

Oh, oh, I'm infected by the sound

Oh, oh, stop, this beat is killing me

Hey Dr. DJ, let the music take me underground

(Everybody in the club) oh, oh, evacuate the dance floor

Oh, oh, I'm infected by the sound

(Everybody in the club) oh, oh, stop, this beat is killing me

Hey Dr. DJ, come burn this place right down to the ground

My body's achin', system overload (overload)

Temperature's risin', I'm about to explode

Watch me, I'm intoxicated, take in the show

It's got me hypnotized, everybody step aside

Steal the night, kill the lights, feel it under your skin

Time is right, keep it tight 'cause it's pulling you in

Wrap it up, we can't stop 'cause it feels like an overdose

(Feels like an overdose)

Oh, oh, evacuate the dance floor

Oh, oh, I'm infected by the sound

Oh, oh, stop, this beat is killing me

Hey Dr. DJ, let the music take me underground

(Everybody in the club) oh, oh, evacuate the dance floor

Oh, oh, I'm infected by the sound

(Everybody in the club) oh, oh, stop, this beat is killing me

Hey Dr. DJ, come burn this place right down to the ground

Come on and evacuate, feel the club is heatin' up

Move on and accelerate, push it to the top

Come on and evacuate, feel the club is heatin' up

Move on and accelerate, you don't have to be afraid

Now guess who's back on a brand-new track that got everybody in the club goin' mad?

So everybody in the back, get your back up off the wall and just shake that thang

Go crazy, yo, lady, yo, baby, let me see you wreck that thang

Now drop it down low, low, let me see you take it to the dance floor, yo

(Everybody in the club) evacuate the dance floor

(Everybody in the club) I'm infected by the sound

(Everybody in the club) stop, this beat is killing me

Hey Dr. DJ, let the music take me underground

Oh, oh, evacuate the dance floor

Oh, oh, I'm infected by the sound

Oh, oh, stop, this beat is killing me

Hey Dr. DJ, let the music take me underground

(Everybody in the club) oh, oh, evacuate the dance floor

Oh, oh, I'm infected by the sound

(Everybody in the club) oh, oh, stop, this beat is killing me

Hey Dr. DJ, come burn this place right down to the ground
