# Everytime We Touch

Par Cascada

*Album : Future Trance Return To The Millennium Die 2000er*

I still hear your voice when you sleep next to me

I still feel your touch in my dreams (in my dreams)

Forgive me, my weakness, but I don't know why

Without you, it's hard to survive

'Cause every time we touch, I get this feeling

And every time we kiss, I swear I can fly

Can't you feel my heart beat fast? I want this to last

Need you by my side

'Cause every time we touch, I feel the static

And every time we kiss, I reach for the sky

**Can't you hear my heart beat slow? I can't let you go**

I want you in my life

Your arms are my castle, your heart is my sky

They wipe away tears that I cry (that I cry)

The good and the bad times, we've been through them all

You make me rise when I fall

**'Cause every time we touch, I get this feeling**

**And every time we kiss, I swear I can fly**

**Can't you feel my heart beat fast? I want this to last**

**Need you by my side**

**'Cause every time we touch, I feel the static**

**And every time we kiss, I reach for the sky**

**Can't you hear my heart beat slow? I can't let you go**

Want you in my life

**'Cause every time we touch, I get this feeling**

**And every time we kiss, I swear I can fly**

Can't you feel my heart beat fast? I want this to last

Need you by my side
