Finally

Par Ce Ce Peniston

Album : 100 Mayores Exitos 80s | V2 / Cd4

Finally, finally, yeah yeah, ow

Finally it has happened to me right in front of my face

And I just cannot hide it

Meeting Mr. Right, the man of my dreams

The one who shows me true love, or at least it seems

With brown cocoa skin and curly black hair

It's just the way he looks at me, that gentle loving stare

Finally you've come along

The way I feel about you, it just can't be wrong

If you only knew the way I feel about you

I just can't describe it, oh no no

Finally it has happened to me, right in front of my face

My feelings can't describe it

Finally it has happened to me, right in front of my face and

I just can not hide it

Finally it has happened to me, right in front of my face

My feelings can't describe it

Finally it has happened to me, right in front of my face and

I just cannot hide it

It seems so many times you seemed to be the one

But all he ever wanted was to have a little fun

But now you've come along and brightened up my world

In my heart I feel it, I'm that special kind of girl

Finally you've come along

The way I feel about you it just can't be wrong

If you only knew the way I feel about you

I just can't describe it, oh no no
