# So I featuring a. g. cook

Par Charli xcx & A. G. Cook

*Album : brat (m4a)*

**Now I wanna think about all the good times**

First met on the outskirts of Stockholm

All of your things in a black suitcase

First day, made Vroom Vroom in the basement

**Now I wanna think about all the good times**

Head bop hard with your arm up, dancing

Hot pink jacket on, music turned up

Bounce that track, make us late to the party

**Now I wanna think about all the good times**

First time I ever felt alive on stage

In Texas, in matching latex

That's as cool as I'm ever gonna feel

(Beautiful)

## Now I wanna think about all the good times

Me and A.G. on Mulholland

Crazy Uber, straight from a video shoot

Got birthday cake on the way

## Now I wanna think about all the good times

Best night ever in Arcosanti

So many friends right there in the audience

When I look back, what the fuck was I wearing?

## Now I wanna think about all the good times

One big smile cracked the whole world open

Sipping green juice, looking so chic

Soft response while you play with the tension

## Now I wanna think about all the good times

Like when we took Bibi down to Bubbles

Took our shoes off, ran around barefoot

Played that song we made that day

## Now I wanna think about all the good times

DJ set back to back with Twiggy

She was nervous, you were so nice

Said you had the best time with her

**Now I wanna think about all the good times**

Me and Noonie crying to your songs  
No songs ever made us feel that much  
Can't explain 'cause it's just too much

**Now I wanna think about all the good times**

Talking on Zoom in 2020  
Red hair brushed out, sat back home  
Lyrics back and forth from texts

**Now I wanna think about all the good times**

Like the first time I heard your music  
My ex-boyfriend played your SoundCloud  
That moment really changed my life

**(No, no, no, no, no-o-o-o)**

**(No, no, no, no, no-o-o-o)**

**(No, no, no, no, no, no, no, no)**

(No, no, no, no) Now I wanna think about all the good times

(No, no, no, no, no, no)

Now I wanna think about all the good times (No, no, no, no)

**(No, no, no, no, no, no-o-o-o)**

(No, no, no, no, no, no-o-o-o)

(No, no, no, no, no, no, no, no)

(No, no, no, no, no, no, no, no)

Now I wanna think about all the good

Now I wanna think about all the good

Now I wanna think about all the good

Now I wanna think about all the good

Now I wanna think about all the good

Now I wanna think about all the good

Now I wanna think about all the good

Now I wanna think about all the good

Now I wanna think about all the good

Now I wanna think about all the good

Now I wanna think about all the good

Now I wanna think about all the good

Now I wanna (now I wanna, now I wanna)

Now I wanna (now I wanna, now I wanna)

Now I wanna (now I wanna, now I wanna)

Now I wanna (now I wanna, now I wanna)
