Boom Clap (Paused)

Par Charli xcx

Album : *SUCKER*

Boom, boom, boom, clap

You're picture-perfect blue

Sunbathing under the moon

Stars shining as your bones illuminate

First kiss just like a drug

Under your influence

You take me over, you're the magic in my veins

This must be love

Boom clap, the sound of my heart

The beat goes on and on and on and on and

Boom clap, you make me feel good

Come on to me, come on to me now

Boom clap, the sound of my heart

The beat goes on and on and on and on and

Boom clap, you make me feel good

Come on to me, come on to me now

No silver or no gold

Could dress me up so good

You're the glitter in the darkness of my world

Just tell me what to do

I'll fall right into you

We're going under cast the spell, just say the word

I feel your love

Boom clap, the sound of my heart

The beat goes on and on and on and on and

Boom clap, you make me feel good

Come on to me, come on to me now

Boom clap, the sound of my heart

The beat goes on and on and on and on and

Boom clap, you make me feel good

Come on to me, come on to me now

Like you are the light and I will follow

You let me lose my shadow

You are the sun, the glowing halo

And you keep burning me up with all your love, uh

Boom clap, the sound of my heart

The beat goes on and on and on and on and

Boom clap, you make me feel good

Come on to me, come on to me now

Boom clap, the sound of my heart

The beat goes on and on and on and on and

Boom clap, you make me feel good

Come on to me, come on to me now

Boom clap, the sound of my heart

The beat goes on and on and on and on and

Boom clap, you make me feel good

Come on to me, come on to me now

Boom clap, the sound of my heart

The beat goes on and on and on and on and

Boom clap, you make me feel good

Come on to me, come on to me now
