Get It On

Par Chase

Album : Super Hits Of The '70s ~ Have A Nice Day

I need your lovin'

I said I want your lovin'

I need you every minute of the day now

Girl, listen what I say

Get it on in the mornin' now

I want you when the moon shines bright

I said I want you when the time is right now

I need you all through the night now

There are feelin's out of sight

Get it on in the mornin' now

I'm gonna tell you just what I'm gonna do

I'm gonna make love to you

That's the kind of feelin' that just won't quit

I said-a come on, girl, now this is it

Get it on in the mornin' now

Ah, the feelin's gonna be you

The feelin's gonna be me

It's gonna be just you and me

In ecstasy

Wow

I got to get it on

I got to get it on

I got to get it on

I got to get it on, I got to get it on

I got to get it on, I got to get it on

I wanna tell you just what I'm gonna do

I'm gonna make love to you

Whoa, that's the kind of feelin' that just won't quit

I said-a come on, girl, now this is it

Get it on in the mornin' now

Ah, the feelin's gonna be you

The feelin's gonna be me

It's gonna be just you and me

In ecstasy
