The More I See You (Album Version)

Par Chet Baker

Album : The Best Of Chet Baker

The more I see you, the more I want you
Somehow this feeling just grows and grows
With every sigh, I become more mad about you
More lost without you, and so it goes

Can you imagine how much I love you?

The more I see you as years go by

I know the only one for me can only be you

My arms won't free you, my heart won't try

Can you imagine how much I love you?

The more I see you as years go by

I know the only one for me can only be you

My arms won't free you, my heart won't try

My arms won't free you, my heart won't try
