My Forbidden Lover (12" mix)

Par Chic

Album : Nile Rodgers Presents: The Chic Organization Box Set, Volume 1 / Savoir Faire

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

I fell in love and I didn't want to do it cause I knew
That your love wasn't true
You try to hide that sinister appearance and the lies

Whew, those alibis

You give your love to anyone who asks, yes you do
And I know that it's true
But still I care and I want to see you there
When I need, yes indeed, you are

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

I can't resist that very strong urge just to have you, dear

Oh, please come here

Just let me love you, anytime and any place we dare

We'll just let them stare

You want to love everybody and everything you can

You're the typical man

Yet still and all, I'm at your beck and call

When you need, yes indeed, you are

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My love is forbidden, we keep our love hidden

My love is forbidden, we keep our love hidden

My love is forbidden, we keep our love hidden

My love is forbidden, we keep our love hidden

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover, I don't want no other

My forbidden lover
