# Does Anybody Really Know What Time It Is?

Par Chicago

*Album : Chicago - The Best Of Chicago (40th Anniversary Limited Edition)*

As I was walking down the street one day

A man came up to me and asked me

What the time was that was on my watch, yeah

**And I said**

**(I don't) Does anybody really know what time it is**

**(Care) Does anybody really care**

**(About time) If so I can't imagine why**

**(Oh no, no) We've all got time enough to cry**

**And I was walking down the street one day**

A pretty lady looked at me and

Said her diamond watch had stopped cold dead

**And I said**

**(I don't) Does anybody really know what time it is**

**(Care) Does anybody really care**

**(About time) If so I can't imagine why**

**(Oh no, no) We've all got time enough to cry**

**And I was walking down the street one day**

(People runnin' everywhere)

Being pushed and shoved (don't know where to go)

By people trying to beat the clock (I don't know where I am)

Oh no, so I just don't know (I can't see past the next step)

I don't know, I don't know-ow

**And I said**

Yes I said

(I don't have time to. I don't have time to look around)

(I just run around everywhere)

**(I don't) Does anybody really know what time it is**

**(Care) Does anybody really care**

(Oh no, no) We've all got time enough to die

Everybody's worryin'

(I don't care) I don't care

(About time) About time

(Oh no, no) I don't care
