Next To You

Par Chris Brown

Album : German TOP100 Single Charts

You've got that smile

That only heaven can make

I pray to God everyday

That you keep that smile

You are my dream

There's not a thing I won't do

I'll give my life up for you

'Cause you are my dream

And baby, everything that I have is yours

You will never go cold or hungry

I'll be there when you're insecure

Let you know that you're always lovely

Girl, 'cause you are the only thing that I got right now

One day when the sky is falling

I'll be standing right next to you

Right next to you

If You had my child (my lady)

You would make my life complete (my lady)

Just to have your eyes on little me

That'd be mine forever

And baby, everything that I have is yours

You will never go cold or hungry

I'll be there when you're insecure

Let you know that you're always lovely

Girl, cause you are the only thing that I got right now

One day when the sky is falling

I'll be standing right next to you

Right next to you

Nothing will ever come between us

I'll be standing right next to you

Right next to you

We're made for one another

Me and you

And I have no fear

I know we'll make it through

One day when the sky is falling

I'll be standing right next to you

Right next to you

Nothing will ever come between us

I'll be standing right next to you

Right next to you

You've got that smile

That only heaven can make

I pray to God everyday

To keep you forever
