?When I'm With You

Par ?Chris Stapleton - Topic

Album : ?Chris Stapleton - Topic

I'm 40 years old

And it looks like the end of the rainbow

Ain't no pot of gold

The things that I've done
I doubt anyone will remember
After I'm gone

The places I've been
There's some I'd go back to
Some where I won't go again
And most of the time
I'm feelin' like I'm fading into the night

But when I'm with you

I feel like a dreamer

That's had all his dreams come true

Like my skies are all blue

When I'm with you

I got a good job

And I'm thankful to be workin'

When so many good people are not

Sometimes I can't stand how my back and my hands

They won't work like they used to

Somewhere in my mind

I'm still searchin' for something

I know that I'm not gonna find

When I know for sure

I've got so much more than a man ever needs

When I'm with you

I feel like a dreamer

That's had all his dreams come true

Like my skies are all blue

When I'm with you

I'm 40 years old

And it looks like the end of the rainbow

Ain't no pot of gold
