The Greatest Adventure

Par Clamavi De Profundis

Album : temp

The greatest adventure is what lies ahead

Today and tomorrow are yet to be said

The chances, the changes are all yours to make

The mold of your life is in your hands to break

The greatest adventure is there if you're bold

Let go of the moment that life makes you hold

To measure the meaning can make you delay

It's time you stop thinkin' and wasting the day

The man who's a dreamer and never takes leave

Who thinks of a world that is just make-believe

Will never know passion, will never know pain

Who sits by the window will one day see rain

The greatest adventure is what lies ahead

Today and tomorrow are yet to be said

The chances, the changes are all yours to make

The mold of your life is in your hands to break

The greatest adventure is what lies ahead

Today and tomorrow are yet to be said

The chances, the changes are all yours to make

The mold of your life is in your hands to break

The greatest adventure is what lies ahead
