Walter and Florence

Par Clarke Peters & Idina Menzel

Album : Chess In Concert (Live)

So in the end our hero won brilliantly.

Surprised us all.

He's played as well as he's ever done.

No surprise.

Well this is

He's just announced he's going back to the Soviet Union.

He seems unable to win without the added thrill of changing sides.

Don't you have a single word to say?

No...

No.

No, you wouldn't listen anyhow,

And what I'm feeling now

Has no easy explanations.

Hasn't this been a great achievement?

Losing you man and nothing in return.

Well, not my man, it's your man.

Anyway, Anatoly's return to the Soviet Union is a very descent gesture.

It's vertually assured us some very important collateral

Including you father.

He must have done it for you.

He wouldn't have done it for me.

We'll get your father out if he's still alive.
