Cleopatra's Theme

Par Cleopatra

Album : Top 40 En Tipparade uit 1998

No I can't forget this evening

Or your face as you were leaving

But I guess that's just the way

The story goes

You always smile but in your eyes

Your sorrow shows

Yes it shows

No I can't forget tomorrow

When I think of all my sorrow

When I had you there

But then I let you go

And now it's only fair

That I should let you know

What you should know

I can't live

If living is without you

I can't live

I can't give anymore

I can't live

If living is without you

I can't give

I can't give anymore

Well I can't forget this evening

Or your face as you were leaving

But I guess that's just the way

The story goes

You always smile but in your eyes

Your sorrow shows

Yes it shows

I can't live

If living is without you

I can't give

I can't give anymore

I can't live

If living is without you

I can't give

I can't give anymore

Hey, oh

Let me hear you say it

(Cleopatra)

Come on

(Cleopatra, comin' atcha)

(Cleopatra, comin' atcha)

(Cleopatra, comin' atcha)

(Cleopatra, comin' atcha)

Get a pen and paper, write down our name

You will realize our aim is the same

(As the others)

We all have that dream to make it to the top

When we do we know we're never gonna stop

(Be together)

Ooh

(Last forever)

Hey

Our minds will stay the same

We won't be beaten down by fame

(Loving each other)

(One and another)

We all want the same success

So we're wishing for the best

(Hey we're here)

Oh

(Fresh new talent's here and we know)

Know

(We're never gonna go, Cleopatra)

Hey

(We know the way to move so we're gonna)

Gonna

(We're gonna blow the roof, gonna blow it)

Hey, oh

Let me hear you say it

(Cleopatra)

Come on, come on

We need education to get us to the ranks

We've no time to play those silly little pranks

(So we're saying)

Please don't try to change the person you are

Keep on dreaming that you'll be a superstar

(Be together)

(Last forever)

Hey

Our minds will stay the same

We won't be beaten down by fame

(Loving each other)

(One and another)

We all want the same success

So we're wishing for the best

(Hey we're here)

Oh

(Fresh new talent's here and we know)

Know

(We're never gonna go, Cleopatra)

Hey

(We know the way to move so we're gonna)

Gonna

(We're gonna blow the roof, gonna blow it)
