# The Next Time

Par Cliff Richard

*Album : Cliff Richard - The Singles Collection (1958-1964)*

They say I'll love again someday

A truer love will come my way the next time

But after you there'll never be a next time for me

They say that I'll find happiness

In someone else's warm caress the next time

I'll soon forget your kiss and heartaches such as this

Will just be ancient history.

**They say that I'm a fool to weep**

**That I won't go on losing sleep the next time**

**And someone else will mend the heart you've broken in two.**

(But) How can I fall in love the next time?

**When I'm still so very much in love with you.**

**They say that I'm a fool to weep**

**That I won't go on losing sleep the next time**

**And someone else will mend the heart you've broken in two.**

(Oh) How can I fall in love the next time?

**When I'm still so very much in love with you.**
