Think Twice

Par Celine Dion

Album : The Colour Of My Love

Don't think I can't feel that there's something wrong

You've been the sweetest part of my life for so long

I look in your eyes, there's a distant light

And you and I know there'll be a storm tonight

This is getting serious

Are you thinking 'bout you or us?

Don't say, what you're about to say

Look back before you leave my life

Be sure before you close that door

Before you roll those dice

Baby, think twice

Baby, think twice for the sake of our love, for the memory

For the fire and the faith that was you and me

Baby, I know it ain't easy when your soul cries out for a higher ground

'Cause when you're halfway up, you're always halfway down

But baby, this is serious (This is serious)

Are you thinking 'bout you or us?

Don't say what you're about to say

Look back before you leave my life

Be sure before you close that door

Before you roll those dice

Baby, think twi-

Baby, this is serious (This is serious)

Are you thinking 'bout you or us?

Baby

Don't say what you're about to say (No, no, no, no)

Look back before you leave my life (Don't leave my life)

Be sure before you close that door

Before you roll those dice

Baby, think twice (Don't do what you're about to do)

My everything depends on you (I depend on you)

Whatever it takes, I'll sacrifice

Before you roll those dice

(Don't do it, baby, no, don't do it, baby) Don't say what you're about to say

Look back before you leave my life (Don't leave my life)

Be sure before you close that door

Before you roll those dice

Baby, think twice
