Impetus

Justification, the means are the end

Doctrine and dogma, I will not relent

This world a garden in need of such weeding

This world a minefield in need of such sweeping

This ministration without full consent

Fire and brimstone, I will not relent

Just as all good things must come to an end

I will administer as I see fit

I will not relent

I will not relent

I will not relent

I am driven

I am driven
