See You Soon

Par Coldplay

Album : A Rush of B-Sides to Your Head

So you lost your trust

And you never should have

And you never should have

But don't break your back

If you ever say this

But don't answer that

In a bullet-proof vest

With the windows all closed

I'll be doing my best

I'll see you soon

In a telescope lens

And when all you want is friends

I'll see you soon

So they came for you

They came snapping at your heels

They come snapping at your heels

But don't break your back

If you ever say this

But don't answer that

In a bullet-proof vest

With the windows all closed

I'll be doing my best

I'll see you soon

In a telescope lens

And when all you want is friends

I'll see you soon

I'll see you soon

I know, you lost your trust

I know, you lost your trust

I know, don't lose your trust

I know, you lost your trust
