# Tears From The Moon (Tiesto In Search Of Sunrise Remix)

Par Conjure One feat. Sinead O'Connor

*Album : Nyana (Unmixed Tracks)*

Couldn't sleep so I went out walking

Thinking about you and hearing us talking

And all the things I should have said

Echo now, inside my head

I feel something falling from the sky

I'm so sad I made the angels cry

**Tears from the moon**

**Fall down like rain**

**I reach for you**

**I reach in vain**

**Tears from the moon, tears from the moon**

It just ain't fair this thing called loving

When one's still there and the other feels nothing

I would have done anything for you

I still love you, baby I adore you

All day I keep from falling apart

But at night when the sky gets dark

**Tears from the moon**

**Fall down like rain**

**I reach for you**

**I reach in vain**

Stop,

Stop haunting me

It should be easy

As easy as when you stopped wanting me

**Tears from the moon**

**Fall down like rain**

**I reach for you**

**I reach in vain**

**Tears from the moon**

**Fall down like rain**

But tears from the moon

Can't wash away the pain

**Tears from the moon, tears from the moon**

**Tears from the moon, tears from the moon**
