# Put Your Records On

Par Corinne Bailey Rae

*Album : Corinne Bailey Rae Songs*

Three little birds sat on my window

And they told me I don't need to worry

Summer came like cinnamon, so sweet

Little girls double-dutch on the concrete

Maybe sometimes we got it wrong

But it's alright

The more things seem to change

The more they stay the same

Don't you hesitate

**Girl, put your records on**

**Tell me your favorite song**

**You go ahead, let your hair down**

**Sapphire and faded jeans**

**I hope you get your dreams**

**Just go ahead, let your hair down**

**You're gonna find yourself somewhere, somehow**

Blue as the sky, sunburned and lonely

Sipping tea in the bar by the roadside

(Just relax, just relax)

Don't you let those other boys fool you

Gotta love that afro hairdo

Maybe sometimes

We feel afraid, but it's alright

The more you stay the same

The more they seem to change

Don't you think it's strange?

**Girl, put your records on**

**Tell me your favorite song**

**You go ahead, let your hair down**

**Sapphire and faded jeans**

**I hope you get your dreams**

**Just go ahead, let your hair down**

**You're gonna find yourself somewhere, somehow**

Just more than I could take

Pity for pity's sake

Some nights kept me awake

I thought that I was stronger

When you gonna realize

That you don't even have to try any longer?

Do what you want to

**Girl, put your records on**

**Tell me your favorite song**

You go ahead, let your hair down (let your hair down)

**Sapphire and faded jeans**

I hope you get your dreams (hope you get your dreams)

Just go ahead, let your hair down (baby, let your hair down)

**Girl, put your records on**

**Tell me your favorite song**

**You go ahead, let your hair down**

Sapphire and faded jeans (sapphire and faded jeans)

**I hope you get your dreams**

**Just go ahead, let your hair down**

Oh, you're gonna find yourself somewhere, somehow
