Fearin' Up The Country

Par Creedence Clearwater Revival

Album : Mardi Gras & Live In Europe

Playing a pavilion on the outskirts of town

Playing where my roller derby rolls

Just a part time music man, A nobody at the plant

I'm tearing Up The Country with a song

Mom and Papa told me "Son, you gotta go to school

Only way to make the family proud

I paid no attention, left my books at home

Rather play my music real loud

Tearing Up The Country with a song

Tearing Up The Country with a song

I paid no attention, left my books at home

Rather play my music real loud

Play it loud, now! Woo!

Tearing Up The Country with a song

Tearing Up The Country with a song

I paid no attention, left my books at home

Rather play my music real loud

Ran into a dry spell, seemed nowhere to go

Good luck turned the tide, I'm on my way

I remember loading big trucks when the summer sun was hot

You know I could still be there, but I'm not

Tearing Up The Country with a song

Tearing Up The Country with a song

I remember loadin' big trucks when the summer sun was hot

You know I could still be there, but I'm not

Tearing Up The Country with a song

Tearing Up The Country with a song

I remember loadin' big trucks when the summer sun was hot

You know I could still be there, but I'm not
