Rain

Par Cult, The

Album : Pure Cult_The Singles 1984-1995

Hot sticky scenes, you know what I mean

Like a desert sun that burns my skin

I've been waiting for her, for so long

Open the sky and let her come now

Here comes the rain

And here comes the rain

Here she comes again

Here comes the rain

Hot sticky scene, she know what I mean

Like a desert sun that burns my skin (skin, skin)

I've been waiting for her, oh, so long

Open the sky and let her come now

Here comes the rain

And here comes the rain

Here she comes again

Here comes the rain

I love the rain

And I love the rain

Here she comes again

And here comes the rain

Oh, ra-a-ain

The ra-a-ain

Ra-a-ain

Oh, here comes the rain!

I love the rain

Well, I love the rain

Here she comes again

I love the rain

The ra-a-ain

The ra-a-ain
