Par Culture Code, Karra & Tobu

Album : Make Me Move (Tobu Remix)

Open eyes

Trough the waves cut through me

Hypnotized

By the sounds, I'm breathing in

Hold Tight, hold tight

Can't make calls collide

Hold tight, hold tight, hold tight

Tripping lights

Paint the skies

All because of you

Tripping lights

Paint the skies

Only you

Can make me

(Me, you)

(So alive)

(You)

(Me, you)

(So alive)

(You)

(Me, you)

(So alive)

(You)

Can make me move

So alive

Make it last forever

Stopping tight

Your arms surrendering

Hold Tight, hold tight

Can't make calls collide

Hold tight, hold tight, hold tight

Tripping lights

Paint the skies

All because of you (of you, of you)

Tripping lights

Paint the skies

Only you

Can make me

(Me, you)

(So alive)

(You)

(Me, you)

(So alive)

(You)

(Me, you)

(So alive)

(You)

Can make me move

(Me, you)

(So alive)

(You)

Can make me move

(So alive)

(You)

Can make me move

Can make me move (can make me move)
