# Ganja Time

Par Culture

*Album : Live In South Africa*

Ganja time ganja time ganja time,

If you are a south African brother when will you go think about ganja,

**Ganja time ganja time ganja time**

If you are a south African brother when will you go think about ganja

**Ganja time ganja time ganja time**

Amen haleluhya... Its not its not.

Good boy and girls go to heaven but

bad boys and bad girls go everywhere.
