I've Been In Love Before

Par Cutting Crew

Album : Lovy Metal

Ooh-ooh, ooh-ooh-ooh, cha

Catch my breath, close my eyes

Don't believe a word

Things she said, overheard

Something wrong inside

Hits you in a minute, ooh-ooh-ooh

Then you know you're in it, aah

I've been in love before

I've been in love before

The hardest part is when you're in it

I've been in love before

I've been in love before

Just one touch, just one look

A dangerous dance

One small word can make me feel

Like running away

You can't say you're in it, no, until you reach the limit

I've been in love before

I've been in love before

The hardest part is when you're in it

I've been in love before

I've been in love before

I've been in love before

I've been in love before

The hardest part is when you're in it

I've been in love before

I've been in love before

I've been in love

The hardest part is when you're in it

I've been in love

I've been in love before
