'Bout to mash these _____, man

Don't come in my backyard m_____

Stay the fuck out, holmes

Beware of the dog _____

Hear we go y'all that's the _____ head dog

Lunatic smoke a loop loose in your center

Got my eye on a money apparatus

Like a bone to a dog ya you know who gotta have it

Anyway you get _____, and I'm a grab it

Turn around stares to your face then I jab it

Drop you, like one of those ill bad habits

Hunt you, like a hillbilly huntin' a rabbit

Cuttin' _____z up like Muggs on the wheel

For reals, penitentiary steel

Put heads the best I'm a choke of a headlock

Faded baldheads the perms even dreadlocks

Why, grouse boy with the style

I could get file or wild or break full for awhile

Checkmate fool

Hang 'em high

Got the live ____ bangin' whenever you wanna try

Shoot the grill, B of the Hill I take 'em all

Checkmate fool

Wherever the pawns fall

Checkmate fool

Hang 'em high

Got the live ____ bangin' whenever you wanna try

Shoot the grill, me and the Hill we take 'em all

Checkmate fool

Wherever the pawns fall

Look look look everywhere you're gettin' shook

To the pawn takin' out the rook gone by the book

Lives get took and takin' you're pulsatin', you can't breathe

No need to look up and see me

The last hope, when you want mellow you call whoever

For the hype s___ you call the Hill put it together

Runnin' this game, bringin' the same raw ____

Over the hi___, through the city we come equipped

To the lead out, keepin' your temperature down low

What I reveal the good ____ to heal all souls

Makin' you roll late night, you trippin' my game's tight

To the new s___ I bring, never the same hype

So push that s___ up, get up, don't let up

No matter how much blood you spit up

You can never be _____ with Greenthumb

The outcome's specific you spliff it collapsed lung

We hit hard, breakin' your guard you can't tell

When the bells ring bustin' your shell the pawns fell

Checkmate fool

Hang 'em high

Got the live ____ bangin' whenever you wanna try

Shoot the grill, me and the Hill we take 'em all

Checkmate fool

Wherever the pawns fall

Checkmate fool

Hang 'em high

Got the live ____ bangin' whenever you wanna try

Shoot the grill, me and the Hill we take 'em all

Checkmate fool

Wherever the pawns fall

Peek-a-boo you f____ you

I'm a freak that funk and slam it in the trunk

I'm a kill all chumps with the suicide dump

Ain't nobody came my way

Talk about the Westside of L.A.

So whatever, punk ass clique you claim

You keep pumpin' that ____ and I'm a bent your frame

'Cause I want that big time _____ studio gangsta

Poof a lot shit buildin' up the main factor

_____ Sen's rollin' again, remember when

We rocked shows battlin' foes the time been

Long, strong with the styles you in here to win

Like blood pourin' outta the pen

The ink stains, slim chance if it gets in your brain the hot flash

Got you heated with repeated attacks over the tracks
