A Man Needs A Maid

Par Daan

Album : Concert

My life is changing in so many ways

I don't know who to trust anymore

There's a shadow running through my days

Like a beggar going from door to door

I was thinking that maybe I'd get a maid

Find a place nearby for her to stay

Just someone to keep my house clean

Fix my meals and go away

A maid

A man needs a maid

A maid

It's hard to make that change

When life and love turns strange

And old

To give a love, you gotta live a love

To live a love, you gotta be part of

When will I see you again?

A while ago somewhere I don't know when

I was watching a movie with a friend

I fell in love with the actress

She was playing a part that I could understand

A maid

A man needs a maid

A maid

When will I see you again?
