# Look At Us Now

Par Daisy Jones

Album : AURORA

I don't know who I am

**Baby, baby, baby**

Do you know who you are?

Is it out of our hands?

Tell me, tell me, tell me

How we made it this far?

Did we unravel a long time ago?

Is there too much we don't want to know?

**I wish it was easy, but it isn't so**

**Oh, we could make a good thing bad**

**Oh, we could make a good thing bad**

Now where do we stand?

## Baby, baby, baby

No one knows who you are

And if this was your plan

Tell me, tell me why

You've been crying in the dark

We unraveled a long time ago

We lost and couldn't let it go

## I wish it was easy, but it isn't so

So baby

Oh, we could make a good thing bad

Oh, we could make a good thing bad

Oh, we could make a good thing bad

Oh, we could make a good thing bad

How did we get here?

How do we get out?

We used to be something to see

Oh baby, look at us now

Oh baby, look at us now

This thing we have been doin'

Ain't working out

Why can't you just admit it to me

Oh baby, look at us now

Oh baby, look at us now

Oh baby, look at us now

Oh baby, look at us now

Oh baby, look at us now

How did we get here?

How do we get out?

This thing we have been doin'

**Ain't working out**

Oh, how did we get here?

**How do we get out?**

**We used to be something to see**

**Oh baby, look at us now**

**Baby, look at us now**

**This thing we have been doin'**

**Ain't working out**

**Why can't you just admit it to me**

**Oh baby, look at us now**

**Baby, look at us now**

**How did we get here?**

**How do we get out?**

**We used to be something to see**

Oh baby, look at us now

Baby, look at us now

This thing we have been doin'

Ain't working out

Why can't you just admit it to me

Oh baby, look at us now

Baby, look at us now

Oh, we could make a good thing bad

Oh, we could make a good thing bad
