You Make My Dreams (Live 1985)

Par Daryl Hall & John Oates

Album : Automatic Action (Live '85) (Live 1985)

What I want, you've got, and it might be hard to handle

Like a flame that burns a candle, candle feeds the flame, yeah

What I've got's full stock of thoughts and dreams that scatter

Then you pull it all together and I can't explain

Oh yeah, well 'cause you (ooh)

You make my dreams come true (ooh)

Well, well, well, you (ooh)

You make my dreams come true (ooh)

On a night when bad dreams become a screamer

When they're messin' with a dreamer

I can laugh it in the face

Twist and shout my way out, wrap yourself around me

'Cause I ain't the way you found me

And I'll never be the same

Oh yeah, well 'cause you (ooh) ooh

You make my dreams come true (ooh)

Well, well, well, you (ooh) ooh

You make my dreams come true (ooh)

Listen to this, whoa

I'm down on a daydream

Well, that sleepwalk should be over by now, I know

I do

(Well) you make my dreams come true (ooh)

I've been waiting for, waiting for you, girl (ooh)

(On a line) you make my dreams come true (ooh)

I get up in the morning with you, every day (ooh)

(You make my dreams come true) dreams come true (ooh)

I've been waiting for, waiting for you, girl (ooh)

(You make my dreams) dreams come true (ooh)

You make my dreams come

You make my dreams come

You make my dreams come

My, my

My dreams come true

Thank you
