# Finishing School (Soundtrack Version)

Par Dashboard Confessional

*Album : Jennifer's Body Music From The Original Motion Picture Soundtrack*

Oh all right dear

Have a nice year

Teach the mean girls

How to be feared

And turn the weak ones

Into servants

You can't be satisfied

You just want what you can't have

**Oh no, not again**

**The shudders, the shaking**

**Oh no, not again**

**The faint and the faking**

**Oh no, oh no, love**

**It's not what you're thinking**

I've just had enough at finishing school

Oh all right love

Here's the good stuff

You can have it if you want it

But you want what you can't have

**Oh no, not again**

**The shudders, the shaking**

**Oh no, not again**

**The faint and the faking**

**Oh no, oh no, love**

**It's not what you're thinking**

I've just had enough of your finishing school
