Bad

Par David Guetta & Showtek feat. Vassy

Album : Jahrescharts 2014

I said: "Why does it feel so good, so good to be bad?"

Getting what I want, boy

Why does that make you so mad?

You see, why does it feel so good, so good to be bad?

'Cause if it's trouble that you're looking for

Oh, baby, here I am...

Then, baby, here I am

I said: "Why does it feel so good, so good to be bad?"

I said: "Why does it feel so good, so good to be bad?"

Getting what I want, boy

Why does that make you so mad?

You see, why does it feel so good, so good to be bad?

'Cause if it's trouble that you're looking for

Oh, baby, here I am...

Then, baby, here I am

I said: "Why does it feel so good, so good to be bad?"
