This is, this is Ronnie, this is Ronnie

You know, you see me three, four times a week ma'am

I'm the, I'm the Fed-Ex driver

That, that deliver, delivers your packages

Oh, Ronnie!

Ronnie, Ronnie from the of-

Yeah, yeah you know I, I, I yeah I

I come past and drop off packages pretty much just for you

You know, three, four days out the week

You know, we have pretty good conversation

Yeah, yeah I mean, how did you get my number?

Well you know, don't, don't, don't be upset

I did a little, I did a little investigation before this

You know, since uh, I'm coming all the time

I, I, I tried to get it, get it on the

Get it on the low as best as I could so, you know

But uh, that's how I got it

Okay, oh okay Ronnie, alright

Hopefully you ain't offended by that?

No, you're focused, you're committed, okay

So, what's going on Ronnie?

Well, you know, we

We've been having good conversations in the brief time

That, that, that I've been dropping off packages for you and I

You know, I, I, I would like to get to know you a lil' better

You know, so if you can spend some time outside the office

And meet outside the FedEx truck

Oh, you wanna meet outside the FedEx truck?

Okay, I mean, are you asking me on a date?

You wanna, is that what you're saying?

Yeah, that's, that's exactly the thing, yeah

Well I would like to get to know you a lil' better and I, yeah

I would, I would really appreciate that opportunity to

Take you out on a date
