Birds (Paused)

Par Death Grips

Album : Government Plates

I got tomorrow coming

I got, got, I got

I got tomorrow coming

I got tomorrow coming

I got, got, I got

I got tomorrow coming

In, in, in, in, in

I got tomorrow coming

I got, got, I got

I got tomorrow coming

I got tomorrow coming

I got, got, I got

I got tomorrow coming

In, in, in, in, in

Birds

Fuck you

I've got a bluebird

It might die

It got wetted

I stayed dry

I'm not trying to use my mind

I got that attitude at all times

I've got this attitude at all times

I got a black cat

It might live

It's got a black hat

It goes big

I had a bluebird

Now it's dead

One, two, three, four

One bird, two birds, three birds, four (two)

Five birds, six times, life is war

One bird, two birds, three birds, four (two)

Fuck you, think I fuck this for?

I got tomorrow coming

I got, got, I got

I got tomorrow coming

In, in, in, in, in

I got tomorrow coming

I got, got, I got

I got tomorrow coming

In, in, in, in, in

I got tomorrow coming

I got, got, I got

I got tomorrow coming

I got tomorrow coming

I got, got, I got

I got tomorrow coming

In, in, in, in, in

Birds

Fuck you

I got, you not, in my way

I got right now between my legs

I put right now between your legs

I got today shoveling graves

I got tomorrow turning in your grave

I got Jesus, he got saved

I got power, it's so cheap

Fuck this bird, bitch, drink this bleach

One, two, three, four

One bird, two birds, three birds, four (two)

Five birds, six times, life is war

One bird, two birds, three birds, four (two)

Five birds, six times, life is war

I got higher, I got fake

I got higher, I got fake

I got higher, I got fake

I got higher, I got-

Birds

Birds

I got tomorrow coming

I got, got, I got

I got tomorrow coming

Birds

I got tomorrow coming

I got, got, I got

I got tomorrow coming

In, in, in, in, in

Birds

Fuck you
