The Frozen Autumn - Biovital (Cover version)

Par Decoded Feedback

Album : Evolution

I never thought that it'd be so simple but

I found a way, I found a way

I always thought that it'd be too crazy but

I found a way, I found a way

If you open up your mind

See what's inside

It's gonna take some time, to realize

But if you look inside, I'm sure you'll find

Over your shoulder you know that, I told you

I'll always be pickin' you up when you're down

So just turn around

Now that I know that anything's possible

I found a way, I found a way

No one can break what is so unbreakable

I found a way, I found a way

If you open up your mind

See what's inside

It's gonna take some time, to realize

But if you look inside, I'm sure you'll find

Over your shoulder you know that I told you

I'll always be pickin' you up when you're down

So just turn around

No one cares

What you give

You know you gotta live like you wanna live

When it's time

To be free

You know you gotta be what you wanna be

If you open up your mind

See what's inside

It's gonna take some time, to realize

But if you look inside, I'm sure you'll find

Over your shoulder you know that I told you

I'll always be pickin' you up when you're down

So just turn around

Uhhhhhhh
