# The Frozen Autumn - Biovital (Cover version)

Par Decoded Feedback

*Album : Evolution*

I never thought that it'd be so simple but

**I found a way, I found a way**

I always thought that it'd be too crazy but

**I found a way, I found a way**

**If you open up your mind**

**See what's inside**

**It's gonna take some time, to realize**

**But if you look inside, I'm sure you'll find**

Over your shoulder you know that, I told you

**I'll always be pickin' you up when you're down**

**So just turn around**

Now that I know that anything's possible

**I found a way, I found a way**

No one can break what is so unbreakable

**I found a way, I found a way**

**If you open up your mind**

**See what's inside**

**It's gonna take some time, to realize**

**But if you look inside, I'm sure you'll find**

**Over your shoulder you know that I told you**

**I'll always be pickin' you up when you're down**

**So just turn around**

No one cares

What you give

You know you gotta live like you wanna live

When it's time

To be free

You know you gotta be what you wanna be

**If you open up your mind**

**See what's inside**

**It's gonna take some time, to realize**

**But if you look inside, I'm sure you'll find**

**Over your shoulder you know that I told you**

**I'll always be pickin' you up when you're down**

**So just turn around**

Uhhhhhhh
