Breakfast At Tiffany's

Par Deep Blue Something

Album : Top Of The Pops 1995-2000 - CD1

You'll say, "We've got nothing in common

No common ground to start from"

And we're falling apart

You'll say, "The world has come between us

Our lives have come between us"

Still I know you just don't care

And I said, "What about Breakfast at Tiffany's?"

She said, "I think I remember the film"

And as I recall I think we both kinda liked it

And I said, "Well, that's the one thing we've got"

I see you, the only one who knew me

And now your eyes see through me

I guess I was wrong

So what now? It's plain to see we're over

And I hate when things are over

When so much is left undone

And I said, "What about Breakfast at Tiffany's?"

She said, "I think I remember the film"

And as I recall I think we both kinda liked it

And I said, "Well, that's the one thing we've got"

You'll say, "That we've got nothing in common

No common ground to start from"

And we're falling apart

You'll say, "The world has come between us

Our lives have come between us"

Still I know you just don't care

And I said, "What about Breakfast at Tiffany's?"

She said, "I think I remember the film"

And as I recall I think we both kinda liked it

And I said, "Well, that's the one thing we've got"

Ooh, and I said, "What about Breakfast at Tiffany's?"

She said, "I think I remember the film"

And as I recall I think we both kinda liked it

And I said, "Well, that's the one thing we've got"

And I said, "What about Breakfast at Tiffany's?"

She said, "I think I remember the film"

And as I recall I think we both kinda liked it

And I said, "Well, that's the one thing we've got"
