No One Came

Par Deep Purple

Album : Made In Argentina

Maybe it's because I'm only starting
That I think it won't take too long
Maybe it's because I can see you laughing
That I think you've got it wrong
Maybe I could be like Robin Hood
Like and outlaw dressed all in green
Someone said what's he gonna turn out like
And someone else said never mind
Well I was big and bold and more than twice as old
As all the cats I'd ever seen
I grew my hair and bought a suit
Of shiny white or was it cream
I shook and shivered danced and quivered
And stood on a mountain top

No one came from miles around and said
Man your music is really hot

Well I knew what they meant because I was a freak

My throat was tired and worn

My pretty face just looked out of place

As they poured on the scorn

I wrote on yellow paper from a man who was the king

He said my boy we'll have some crazy scenes

There weren't any scenes at all like he was talkin' about

He must've been the king of queens

Well I could write a million songs about the things I've done

But I could never sing them so they'd never get sung

There's a law for the rich and one for the poor and there's another one for singers

It's die young and live much longer

Spend your money and sit and wonder

No one came for miles around

And said man your music is really funky

I believe that I must tell the truth

And say things as they really are

But if I told the truth and nothing but the truth

Could I ever be a star

Nobody knows who's real and who's fakin'

Everyone's shouting out loud

It's only the glitter and shine that gets through

Where's my Robin Hood outfit

Well I've come and I've gone before you wink an eye

No one ever cared enough to say goodbye

The money's good and the time you have

Fun and games galore

But you spend your money and lie in bed forgotten

And you wonder what you did it for

No one came from miles around

And said man who's he?
