Never Be Alone

Par Deepside Deejays

Album : Discoteka 2000x Dance Club - The Best!

I'll never be alone, be alone, be alone

'Cause you are in my soul, in my soul, in my soul

I'll never make you cry, make you cry, make you cry

You give me sunrise with your smile

I'll never be alone...

Turn the lights a little down low

We can be together

Turn the lights a little bit so we can go slow

And we can be forever

Give me your whole life

We gonna be together every moonlight

I hold you so tight

Till morning and the sun will be our moonlight, (eh)

I'll never be alone, be alone, be alone

'Cause you are in my soul, in my soul, in my soul

I'll never make you cry, make you cry, make you cry

You give me sunrise with your smile

I'll never be alone, be alone, be alone

'Cause you are in my soul, in my soul, in my soul

I'll never make you cry, make you cry, make you cry

You give me sunrise with your smile

I'll never be alone

I'll never be alone

I'll never be alone, be alone, be alone

Cause you are in my soul, in my soul, in my soul

I'll never make you cry, make you cry, make you cry

You give me sunrise with your smile

I'll never be alone...

Give me all your love, love, love

And I'll give you mine, alright

Give me all your love, love, love

And I'll give you mine, alright

Give me all your love, love, love

And I'll give you mine, alright

Give me all your love, love, love

And I'll give you mine, alright

I'll never be alone
