When The Night Is Falling

Par Dennis Jernigan

Album : Break My Heart O God

When the is falling

And the day is done

I can hear you calling, "Come"

I will come, while you sing over me.

When the night surrounds me

All my dreams undone

I can hear you calling, "Come"

I will come, while you sing over me.

When the night would hide my way...

I will listen until I hear you say,

"How I love you child! I love you!

How I love you child! I love you!

How I love you!"

"How I love you child! I love you!

How I love you child! I love you!

How I love you!"

When the life is over...

And the race is run...

I can hear you calling, "Come"

I will come, while you sing over me.

When the is falling

And the day is done

I can hear you calling, "Come"

I will come, while you sing over me.

When the night surrounds me

All my dreams undone

I can hear you calling, "Come"

I will come, while you sing over me.

When the night would hide my way...

I will listen until I hear you say,

"How I love you chid! I love you!

How I love you chid! I love you!

How I love you!"

"How I love you chid! I love you!

How I love you child! I love you!

How I love you!"

Hallelujah! Hallelujah! Hallelujah!

Hallelujah! Hallelujah! Hallelujah!

When the life is over...

And the race is run...

I can hear you calling, "Come"

I will come, while you sing over me.
