A Question of Time (live 1988)

Par Depeche Mode

Album : Black Celebration

I've got to get to you first

Before they do

It's just a question of time

Before they lay their hands on you

And make you just like the rest

I've got to get to you first

It's just a question of time

Well, now you're only 15

And you look good

I'll take you under my wing

Somebody should

They've persuasive ways

And you'll believe what they say

It's just a question of time

And it's running out for you

It won't be long until you'll do

Exactly what they want you to (yeah)

I can see them now

Hanging around

To mess you up

To strip you down

And have their fun

With my little one

It's just a question of time

And it's running out for you

It won't be long until you'll do

Exactly what they want you to

It won't be long until you do

Exactly what they want you to (yeah)

Sometimes I don't blame them

For wanting you

You look good

And they need something to do

Until I look at you

Then I condemn them

I know my kind

What goes on in their minds

It's just a question of time (yeah)

Just a question of time

It's just a question of time

It should be better

It's just a question of time

It should be better with you

It's just a question of time

It should be better

It's just a question of time

It should be better with you

It's just a question of time

It should be better

It's just a question of time

It should be better with you

It's just a question of time
