Black Celebration

Par Depeche Mode

Album : Depeche Mode Essentials

Let's have a black celebration

Black celebration

Tonight

To celebrate the fact

That we've seen the back

Of another black day

I look to you

How you carry on

When all hope is gone

Can't you see?

Your optimistic eyes

Seem like paradise

To someone like me

I want to take you in my arms

Forgetting all I couldn't do today

Black celebration

Black celebration

Tonight

To celebrate the fact

That we've seen the back

Of another black day

I look to you and your strong belief

Me, I want relief tonight

Consolation, I want so much

Want to feel your touch tonight

Take me in your arms

Forgetting all you couldn't do today

Black celebration

Black celebration

Tonight (black celebration)

I'll drink to that (black celebration)

Tonight (black celebration)

I'll drink to that (black celebration)

Tonight
