But Not Tonight (extended remix)

Par Depeche Mode

Album : Black Celebration [UK]

Oh, God, it's raining but I'm not complaining

It's filling me up with new life

The stars in the sky bring tears to my eyes

They're lighting my way tonight

And I haven't felt so alive

In years

Just for a day on a day like today

I'll get away from this constant debauchery

The wind in my hair makes me so aware

How good it is to live tonight

And I haven't felt so alive

In years

The Moon is shining in the sky

Reminding me of so many other nights

But they're not like tonight

Oh, God, it's raining and I'm not containing

My pleasure at being so wet

Here on my own, all on my own

How good it feels to be alone tonight

And I haven't felt so alive

In years

The Moon is shining in the sky

Reminding me of so many other nights

When my eyes have been so red

I've been mistaken for dead

But not tonight
