# It's No Good

Par Depeche Mode

*Album : Depeche Mode - The Singles 86-98*

I'm going to take my time

I have all the time in the world

To make you mine

It is written in the stars above

The gods decree

You'll be right here by my side

Right next to me

You can run but you cannot hide

Don't say you want me

Don't say you need me

**Don't say you love me**

**It's understood**

**Don't say you're happy**

Out there without me

**I know you can't be**

**'Cause it's no good**

I'll be fine

I'll be waiting patiently

'Til you see the signs

And come running to my open arms

When do you realize?

Do we have to wait 'til our worlds collide?

Open up your eyes

You can't turn back the tide

**Don't say you want me**

**Don't say you need me**

**Don't say you love me**

**It's understood**

Don't say you're happy

Out there whitout me

I know you can't be

'Cause it's no good

I'm going to take my time

I have all the time in the world

To make you mine

It is written in the stars above

Don't say you want me

Don't say you need me

Don't say you love me

It's understood

Don't say you're happy

Out there whitout me

I know you can't be

'Cause it's no good

Don't say you want me

Don't say you need me

Don't say you love me

It's understood

Don't say you're happy

Out there whitout me

I know you can't be

'Cause it's no good.
