One Caress

Par Depeche Mode

Album : Songs Of Faith And Devotion (2006 Hybrid SACD)

Well I'm down on my knees again

And I pray to the only one

Who has the strength to bear the pain

To forgive all the things that I've done

Oh girl lead me into your darkness

When this world is trying it's hardest

To leave me unimpressed

Just one caress

From you and I'm blessed

When you think you've tried every road,

Every avenue

Take one more look at what you found old

And in it you'll find something new

Oh girl lead me into your darkness

When this world is trying it's hardest

To leave me unimpressed

Just one caress

From you and I'm blessed

I'm shying from the light

I always loved the night

And now you offer me eternal

Darkness

I have to believe that sin

Can make a better man

Well it's the mood that I am in

That's left us back where we began

Oh girl lead me into your darkness

When this world is trying it's hardest

To leave me unimpressed

Just one caress

From you and I'm blessed

Oh girl lead me into your darkness

When this world is trying it's hardest

To leave me unimpressed

Just one caress

From you and I'm blessed
