# See You

Par Depeche Mode

*Album : The Singles 81 ? 85*

All I wanna do is see you again

Is that too much to ask for

I just want to see your sweet smile

Smiled the way it was before

Will I try not to hold you

And I'll try not to kiss you

And I won't even touch you

**All I wanna do is see you**

**Don't you know that it's true.**

I remember the days when we walked through

The woods,

We'd sit on a bench for a while.

I treasure the way we used to laugh and play

And look in each others eyes.

You can keep me at a distance if you don't

Trust my resistance.

But I swear I won't touch you.

**All I wanna do is see you**

**Don't you know that it's true.**

Well I know five years is a long time and that times

Change (times change)

But I think that you'll find people are basically

The same (basically the same)

If the water's still flowing we can go for a swim

And do the things we used to do.

And if I'm reluctant you can pull me in,

We can relive our youth.

But we'll just stay friendly like sister and brother

Though I think I still love you.
